

FOR IMMEDIATE RELEASE

STUDIO - Private preview of Lucio Salvatore's selected 2009 Artworks

Private Reception with the Artist: Tuesday, October 13, 2009, 6-9PM

New York, NY - October 13 will be the first presentation of Lucio Salvatore 2009 Artworks. The artist will privately receive friends, collectors and curators as if he would be opening his studio doors for the first time after a season of production.

Salvatore chooses New York to start the series of presentations that will bring his works around Europe and South America.

Blood on Plexiglas is the media, and for the first time Salvatore's line from abstractions draws figures of female and male bodies captured in the moment of creation: Eros, The generating force that creates life.
